INTRODUCTION

A BRIEF INTRODUCTION OF IDWA

Established in 2023 under the guidance of Brother Lim Jooi Soon and led by President Brother Naim, IDWA was founded with a mission to provide essential support to those in need, particularly new Muslims requiring financial assistance and community aid. Understanding the diverse challenges faced by communities, IDWA promotes a sense of belonging through comprehensive social support, welfare programs, and initiatives that foster unity and resilience.

The association also extends its efforts to empower individuals through educational workshops, faith-based guidance, and skill-building programs. By addressing critical needs such as food aid, mobility equipment for the disabled, and spiritual mentoring, IDWA plays a vital role in uplifting vulnerable groups. Furthermore, IDWA is committed to building inclusive communities by collaborating with other organizations, ensuring that no one is left behind in their journey toward self-reliance and spiritual fulfillment.

This includes support during emergencies and for those facing socio-economic hardships.

Our hope is to connect with 10 progressive and community-focused companies who believe in our mission and are willing to join us in this journey, making a real difference in our community.

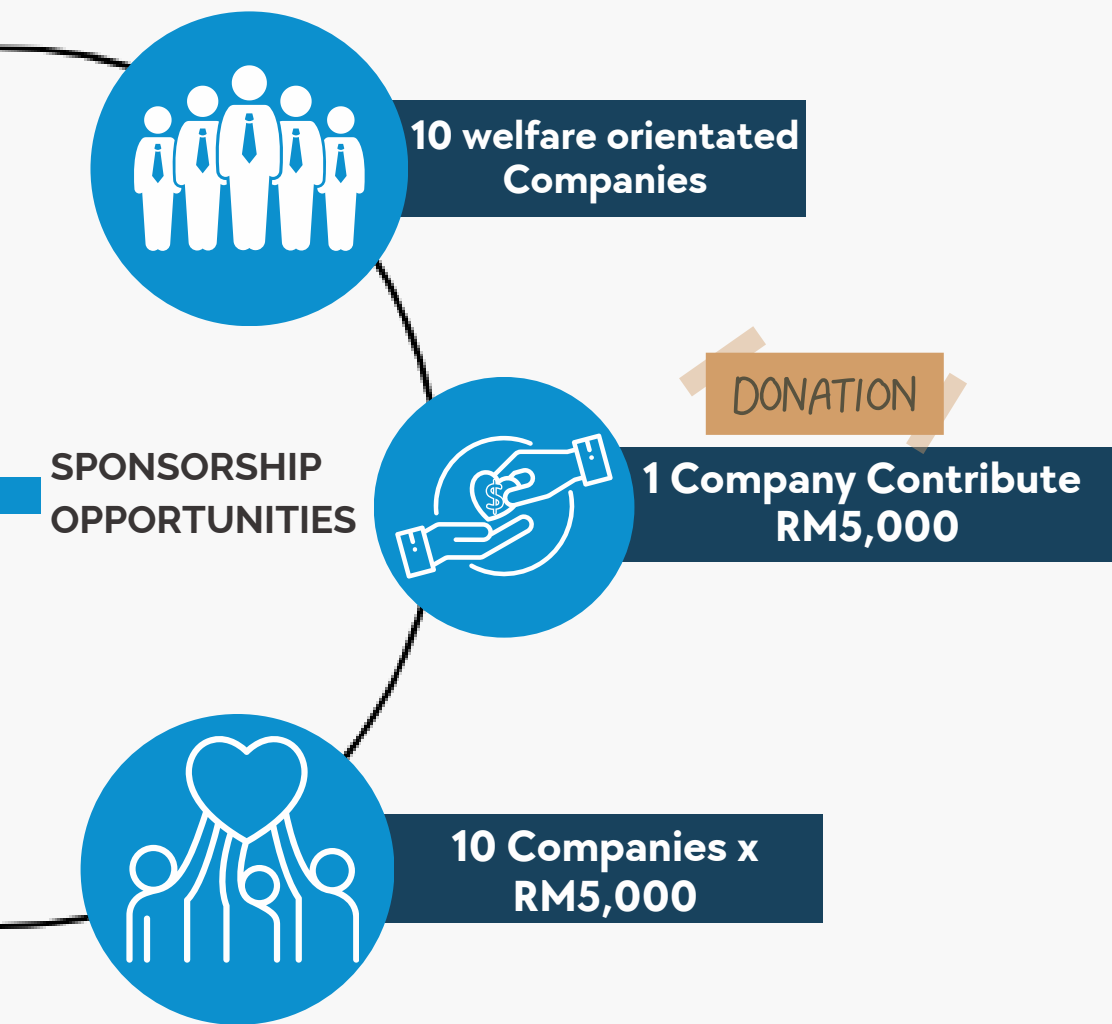

In return, we will provide a full report showing exactly how your generous contribution will be put to use, complete with photos, receipts, and a breakdown of the expenses. Your support will not only help sustain our work but also continue to spread positive change.
